ROBBER'S IDENTITY IS ESTABLISHED

Man Shot Down As He Was Looting Miners' Store At Marianna, Is Terry McShane of Leechburg, Aged About 30

ROBBER IS A COAL CUTTER

McShane Is Shot to Death By Daniel Guza, Night Watchman For the Union Coal and Coke Company, Marianna, While In Act of Robbing Store

Identification of the robber shot to death at Marianna early Sunday morning was established yesterday, when Nick Lenhart of Leechburg declared the remains at the mortuary of Deputy Coroner A. Blaine Day in Washington to be those of Terry McShane, aged about 30 years, who had been employed as a coal cutter in a mine near Leechburg.

Authorities were of the opinion that the dead man was Joseph Lenhart, a brother of Nick Lenhart, and for that reason the latter named went to Washington from Leechburg to view the remains. Lenhart immediately said the body was that of McShane, who was a pal of his brother Joseph.

McShane was shot to death by Daniel Guza, night watchman for the Union Coal and Coke Company, Marianna, when Guza discovered the miners' store, operated by the coal company, was being robbed. Guza fired two shots at the robbers one of which hit McShane about the left eye, the bullet coming out through the top of his head.

Other than the identification of McShane there were no new developments yesterday in the case. County Detective William B. Dinsmore, who with County Detective David Creigh, are working on the case, went to the Leechburg district, to ascertain if he could get more facts as to the dead man, and to secure, if possible, clues as to others who may have participated in the attempted robbery of this store, which robbery was frustrated before the goods were taken away, by the shooting of McShane.

McShane, it was learned, had no home. His parents lived in Canada, and McShane had come to the United States several years ago. He had wandered about considerably, but for a time had been working steady as a coal cutter.

MINE FIRE IS BEING WATCHED WITH INTEREST

Hazleton, Jan. 15.—(United Press).—Mining engineers are watching with great interest efforts of the fire started recently in their Raven Run workings from a burning culm bank. New methods are being tried out on the fire which is a very unusual one similar to the Jessup catastrophe which entombed five men. In each case an old culm bank that had been burning for years ate its way into pillars below it, causing a cave and dropping the burning waste into the mine.

MAGNUS TELLS WHY HE LOST BY AN ALIBI

New York, Jan. 15.—(United Press).—Magnus Johnson, Minnesota farmer-Senator, has an alibi. "They gave me a dry cow," he said, explaining why Secretary of Agriculture Wallace "won" their recent milking contest in Washington. The Senator is visiting in New York.

GOOD FISHING LOOKED FOR IN MOUNTAINS

Hazleton, Jan. 15.—(United Press).—There should be good fishing next summer in the mountains near here, according to Congressman Kent, who has been successful in having hundred thousand trout and other game fish from the federal hatcheries placed in the streams. The state has already undertaken a restocking program in the streams of the Poconos.

WONDER ORCHESTRA TO FEATURE AT A DANCE

Dave Harmon's Wonder orchestra will furnish the music at the Elks dance tomorrow evening, January 16. This will be the last appearance of Harmon's orchestra for at least a year, due to the fact that they have signed a contract for an extended tour with Keith's vaudeville circuit. A large crowd is anticipated at tomorrow evening's affair in response to the many invitations issued.

A DONORA MAN IS NAMED TIPSTAFF

Douglas MacDougall, of Donora, a World War veteran, and Mrs. Kate B. Hallam, of East Beau street, Washington, were yesterday, upon orders of court, named as tipstaves of the court of common pleas, to fill vacancies existing on the force of tipstaves. The appointment of Mrs. Hallam is the first appointment of a woman to serve in this position. She is the widow of John W. Hallam, of Washington.

Mr. MacDougall saw service overseas with the 11th infantry of the 28th division, was seriously wounded in action and as a result has been incapacitated for heavy work. His father is a mill man at Donora and the young man was highly recommended to the court.

Orders were made by both the court of common pleas and orphans court yesterday increasing the salaries of court criers from \$1,200 a year to \$1,600 a year. The tipstaves' salaries were increased from \$1,000 a year to \$1,200 a year. The work of the courts has increased to such an extent of later years that criers and tipstaves are required to be at the court house almost daily. They are busy often when court is not in session. Formerly criers and tipstaves were on hand only when trial court was in session.

DEMARCO WINS FROM GARTIN IN 10 ROUNDS

Cuddy DeMarco won the decision over Dan Gartin, Philadelphia, after 10 rounds of furious fighting at Philadelphia last night. DeMarco using a left jab with unusual effectiveness, easily scored points throughout the battle, although neither fighter was in danger.

DeMarco apparently fought under wraps in the early rounds only opening up after the fourth stanza, when Gartin caught him with three hard rights.

The last four rounds went to the Charleroi boy by wide margins. In these sessions he caught Gartin coming off the ropes with terrific rights, although the punches landed too high to do damage.

DeMarco entered the ring weighing 132½ pounds, with Gartin two pounds lower.

3 Measures Passed By A Council

At a special meeting of Monongahela council last night, three important ordinances were passed.

The first dealt with the levying of the city tax for 1924 and fixed the amount at 10 cents for the year. The second was the appropriation ordinance for city and administration, and the third the appropriation ordinance for the maintenance of all city employees. There was practically no change in these from those of 1923.

The report of the board of health for 1923 was read in detail by the city clerk, which showed that the board had made rapid progress, with the assistance of Health Officer John C. Hiscok.

Councilman Frank E. Yohe, superintendent of parks and public properties, brought before the council the erection of a bandstand and building for shelter at Chess Park and a building at Westminster Park. The matter was discussed and action postponed until the next meeting of council which takes place Monday night, February 4.

THE TECH GIRLS DO NOT SMOKE

Pittsburgh, Jan. 15.—(United Press).—Heads of the local schools were inclined to laugh at the statement of Dr. Charles J. Smith, president of Roanoke College, Va., that the world never before has known such "hard drinking, cigarette puffing and licentious amazons" as now go to college.

John G. Bowman, chancellor of the S. Baker, president of Carnegie Tech, said these conditions do not exist in Pittsburgh.

"If Dr. Smith says that it is true of Roanoke College," said Dr. Bowman, "probably it is true. But is not true of our school. You must remember that the girls are away from home, housed in dormitories. But at least 98 per cent of our girls live at home."

Dr. Baker's statement said practically the same thing. "I know I would have heard had our girls been indulging in such antics as Dr. Smith describes," he said.

A "BUG NOW" CAMPAIGN ON

Important among other indications that the New Year will see a vastly increased demand for automobiles is the "Buy Now" campaign which has just been launched by the Ford Motor Company.

Particular significance may be attached to this, coming as it does at the very start of the year, for no company in the industry is better situated to sense future conditions in the motor car field nor keep more closely in touch with the temper of the motor buying public.

Through its great dealer organization, approximately 10,000, the company is able to obtain very accurate reports covering all parts of the country. That the outlook indicates a greater demand than ever during the coming year seems apparent in the action of inaugurating a "Buy Now" campaign at this time.

FRENCH FRANC REACTS TODAY

Paris, Jan. 15.—(United Press).—The French franc reacted today in anticipation of desperate government measures, and gained a bit, being quoted at 22.42 to the dollar shortly before noon, compared with its close Monday at 22.76.

Bankers, among whom alarm spread swiftly as the Bourse saw nervous scenes and three seemed no limit to the franc's drop, expect that the depreciated exchange may continue to gain slowly, if the government's measures prove effective. If not, it is believed the slump will be resumed.

OLD CITY HALL IS NOT TO GO

Pittsburgh, Jan. 15.—(United Press).—The old city hall is not to go after all.

The federal government plans to take a lease on it for housing the revenue department and other federal branches now taking valuable space at the post office building.

There was talk of tearing down the old city hall when the city built its new home on Grant street six years ago. However the war delayed this and since then the Mellon Bank took a lease on it until its new building across the street was finished.

MADE IN FIRES A QUAKE THROWS TRAIN INTO RIVER

Peking, Jan. 15.—(United Press).—One train was tumbled down a bank into the Ugawa river, and six others were overturned between Canton, Natsuo, and Tokyo when that district was shaken by severe earth shocks early today, according to reports reaching here.

The Japanese legation reports from Mukden that the effects of today's quake were widespread and that damage was considerable in the city of Natsuo, in the Nagano prefecture, west of Tokyo.

An Osaka report says fire is raging in the Sugamo suburb of Tokyo.

Buffalo Meat Given By Pawnee Bill

Allentown, Jan. 15.—(United Press).—The only man in Pennsylvania who dined New Year's day on Buffalo meat was James P. Culbertson, president of the Pennsylvania Independent On company of this city.

Culbertson received the buffalo meat from his old friend, Pawnee Bill, Major Gordon W. Lillie, famous wild west showman, at Pawnee, Okla. Pawnee Bill owns a 20,000 acre ranch, there on which he keeps a herd of several hundred buffalo.

Every year around Christmas he has a big hunt and roundup, as in the days of yore, and he invites his friends from all over the world to participate. Culbertson was unable to be present this year but Pawnee Bill remembered him nevertheless with a feast from a young buffalo bull.

Boy Who Stole An Auto After First Drink Of Hooch Is Paroled

Charles, Conrad, said to be under 16 years of age, affidavits being made to the court to that effect, though looking much older, entered a plea of guilty in juvenile court yesterday afternoon to a charge of taking an automobile at Houston, belonging to a Mr. Simpson, at Avella. The car was later abandoned.

Investigation elicited the information that the lad was a son of respected parents at Allison, Fayette county. He had started from there to go to Coraopolis, where he was given a drink of moonshine the first he had ever had.

The court agreed to parole him on payment of costs, giving to the lad considerable advice as to his future actions.

TWO ARRESTS LIQUOR RAIDS

Donora police continued their cleanup of illegal liquor traffic and manufacture of moonshine over the week-end, and from indications a large number of shops and stores in the borough are engaged in selling or manufacturing booze.

Saturday night Chief of Police Michael Ready and his cleanup squad visited the store of Mrs. Anna S. Dubinsky, near Tenth street, where two quarts of moonshine were found. They later visited a garage at the rear of the property, and searched an automobile belonging to Clarence Stalstowis and found a quantity of hooch in the tonneau of the machine.

Mrs. Dubinsky and Stalstowis were arrested and later furnished bail for court.

MAKING THE OLD YOUNG AGAIN

Paris, Jan. 15.—(United Press).—Motion pictures of three patients, one English and two French, made young by the methods of Professor Voronoff, were displayed at the Sorbonne today, and explained by the famous surgeon to a distinguished audience of scientists.

The films showed every stage of the method of grafting glands upon animals and humans.

Professor Voronoff showed pictures of several rats of which the age ordinarily is limited to 14 years. These animals were 21 years old, and appeared healthy after their operation.

The films showing the human patients showed three vigorous men of 40, after the transplantations, whereas each was actually over 70.

MONDAY MUSICAL CLUB IN BI-MONTHLY MEETING

Last evening in the Community room of the Charleroi Elks club the Monday Musical club held their regular bi-monthly meeting with a good attendance. Miss Thelma Lowstuter, the president, introduced Prof. Earl Lraman, who is to have charge of the play to be given, April 10. Mr. Lraman discussed and explained the play, "Bull Bull," a story of an English Princess. The program, an evening of Sonata, was much enjoyed by the twenty-seven members present. It was as follows: Sonatine, Clementi, by Margaret Gray; Sonatine, Ku-bau, by Audrey Michener; Song Haydu, by Elizabeth Frew; Sonata, Beethoven, Florence Barger; Sonata, by Elizabeth Frew. At the conclusion of the program, a delicious luncheon was served in the dining room, the hostesses being, Mrs. Ethel Metz, Miss Edith Woodhall, Miss Audrey Michener and Mrs. Daniel Harris.

Collapses In Trying to Go Into Structure Again—Two of the Five Burned to Death In Their Beds — House Is Completely Destroyed By the Flames

Nanticoke, Pa., Jan. 15.—(United Press).—Plunging again and again into the burning building, Stanley Price, 35, succeeded in saving three of five children, when his house was consumed by fire this morning. The two youngest burned to death in their beds.

Smelling smoke, Price and his wife awoke to find the lower floor of their home ablaze. Trying to put the flames out, Price was fearfully burned. He then rescued three of his children, but collapsed in trying to go into the building again. The dead are Frank, 5, and Leonard, 3.

The house was completely destroyed and Price is in a critical condition at the hospital.

ART MUSEUM FOR ALLENTOWN

Allentown, Jan. 15.—(United Press).—A movement is under way here to establish a permanent art museum in Allentown.

A committee of local people recently went to Reading to study the municipal museum in the administration building there. Several local societies and clubs are behind the movement and it is hoped to have produced results by the end of this year. Scattered art treasures in the public library, the schools and other places would be collected and placed in the exhibit.

ELIHU ROOT GOES UNDER THE KNIFE

New York, Jan. 15.—(United Press).—Elihu Root spent a quiet night following an abdominal operation yesterday by Dr. Alfred T. Osgood. He slept fairly well and is reported as doing as well as could be expected. The danger is not passed yet, however, nor will it be for two or three days.

Despite his 79 years, medical attendants declared he withstood the operation excellently and made a splendid patient. The operation was to remove a stone from a kidney.

SOME ARE GOING AHEAD; OTHERS GOING BACKWARD

Philadelphia, Jan. 15.—(United Press).—There are 11,000 children in the public schools here who are ahead of their classes. However, there are 91,000 pupils who are backward in their studies, according to a report just issued by the Board of Education. The largest number of backward pupils are in the lower grades, the report said.

NORMAL SURVEY IS TO BE MADE

Harrisburg, Jan. 15—(United Press)—Dr. J. George Becht, superintendent of public instruction, announced today the inauguration of a "cooperative survey" to be made twice a year in the 14 normal schools of the state.

Two members of the staff of the department will visit each of the state normal schools during the next few weeks, it was said, and will report to the superintendent the results of their studies.

Methods of preparation given the future teachers of the state will be noted in each instance and recommendations based on scientific study will be made to the principals.

This educational survey combines features of the Welfare Department survey of institutions and the Health Department program of cooperation of members of the department staff with local authorities.

It is the first time such a method of studying the normal schools has been employed, Dr. Becht pointed out.

THE NORMAL HAS TWO HARD GAMES

Fans of the valley will have a chance to see in action two of the best prep school outfits in Western Pennsylvania this week at the Normal gym. Wednesday night West Virginia U. Freshmen invade California, and Saturday night Carnegie Tech Plebes are the guests of the local school. Carnegie Tech beat the Normal last Saturday night in Tech gym 22-19, after playing two extra five-minute periods to decide the game. The West Virginia Freshmen are boasting one of the strongest teams in recent years and there ought to be action through each game.

Both games will start at 6:45 in order to let all fans get away at 8:15 for towns toward Pittsburgh and at 8:24 for towns toward Brownsville.

The Personal Side

Miss Nelle Ludwig of Fallowfield avenue spent yesterday visiting in Pittsburgh.

Lloyd Paul Lutes of Harmerville, is visiting at the home of his aunt, Mrs. Paul Molle of Crest avenue.

Miss Mildred Carnahan, who is teaching at Palmer, spent the week-end at her home in Shady avenue.

Mr. and Mrs. Frank Barnisky of Fifth street are the proud parents of a daughter, born Saturday morning, January 12.

C. W. Tunstall of McKean avenue, who is employed at Uniontown, spent Saturday and Sunday in Charleroi with his family.

Miss Adeline Might of Fifth street and Edward Landsperger of Hopestead, were issued a marriage license in Pittsburgh Saturday.

Harvey J. Frederick of Fairhope and W. C. Fielding of Fallowfield avenue, motored to Pittsburgh this morning, where they will spend the day.

Mrs. Stella Gibson has returned to her home in South Brownsville, after spending the past week as the guest of Mr. and Mrs. James Dawson of Lincoln avenue.

Miss Lois Tunstall of McKean avenue returned to her home last evening, after spending an enjoyable week-end visit with Mr. and Mrs. F. M. Patterson of Uniontown.

James Gee, who has been confined to the home of his daughter, Mrs. J. E. Hemion of 516 Third street for the past three weeks on account of illness, is slowly improving.

Mr. and Mrs. Charles E. Hurley and daughter Marcelle, and Thomas Hudley, all of Uniontown, spent the week-end at the home of Mr. and Mrs. C. W. Tunstall of McKean avenue.

Edgar Anthony, son of Mr. and Mrs. John E. Anthony of Eighth street, was taken to the St. Francis hospital, Pittsburgh, yesterday, where he will undergo an operation the latter part of the week.

Mr. and Mrs. A. L. Roberts of Brownsville and Mrs. Anna McWilliams and daughter Jessie of McClellandtown, were guests at the home of Mrs. W. P. Stiger of Shady avenue over the week-end.

Miss Elida Lupori, daughter of Mr. and Mrs. Octavius Lupori of Dunley, will be taken to the Charleroi-Monessen hospital this evening, where tomorrow morning she will undergo an operation for appendicitis.

START OF THE FIRST LABOR GOVERNMENT

London, Jan. 15—(United Press)—The fateful session of parliament which may see accession to power within a week of Great Britain's first labor government was opened in state today by King George, who delivered a speech from the throne at noon.

As His Majesty's address was read to the assembled houses, there were crowded at the bar of the House of Lords, whither the commoners are summoned for each occasion, nearly 200 labor M. P.'s, who expect, this time next week, to be occupying front benches with Ramsay MacDonald as prime minister.

H. G. LEWIS IS TO LEAD THE SCHOOL

A. G. Lewis, who has just finished ten years of service as Sunday school superintendent in the First Baptist church, has been elected to serve another year, has accepted, and decided to put forth his best efforts in behalf of the church, and the children.

The school is now larger than it has been for a number of years, and it is growing with each Lord's day service.

Sunday, January 20, is to be "Every Member Present Day." For those who are not able to walk, or for other reasons cannot attend, provision is made to take them in automobiles. Call Mr. Lewis, or D. N. Hall on the phone, and let them know this week.

The Men's Bible class is growing finely, and any man who does not have a church home, and does not go to Sunday school at any place, is given a hearty fellowship.

Every man should be an example to his children, and neighbors, and friends, as the public in general always looks up to the man who lives to credit a better influence in his home, and town.

You will find a warm welcome at the Baptist church—the place where nothing but the gospel of Christ is preached.

Presumably President Coolidge's right hand survived the shaking of it by 3,891 persons during the New Year's reception.

In Society's Realm

The Arachne Circle of the First Presbyterian church will hold its regular bi-monthly meeting this evening at the home of Miss Margaret McMahan of Fallowfield avenue. A good attendance is urged.

Mr. and Mrs. Howard Livengood entertained at their home in 1104 Oakland avenue Saturday evening in honor of Mrs. Livengood's 28th birthday anniversary, with 30 guests present. The evening was spent in playing cards and games, and at a late hour luncheon was served by the hostess, assisted by Mrs. John Chesmire. Mrs. Livengood received many beautiful and useful gifts.

John Harcastle of 309 Second street was delightfully surprised last evening by a host of his friends from the First Baptist church, upon the commemoration of his thirty-sixth birthday. The evening was spent in playing games, and music was furnished by Cordanella's String band. Mrs. Harcastle was assisted by Mrs. Edwin Davis, who served a nice lunch. All joined in wishing Mr. Harcastle many more enjoyable birthdays.

Mrs. George H. Eason of 602 Lookout avenue delightfully entertained the members of the Altar Guild society of St. Mary's Episcopal church at her home last evening. The prime object of the meeting was to formulate plans for a Get-together social to be held Friday, January 25, in the church school room. Invitations will be issued and a musical and literary program will be presented. The evening gives every promise to be one of the most enjoyable affairs given in the church for some time. Friday, of this week, following choir practice, another meeting will be held to make preparations for the program.

The members of the Anchor class of the First Christian church, 38 in number, took possession of the home of Mrs. Thomas Jenkins on Conrad avenue, North Charleroi, last evening, in her specially planned absence, and upon her return accorded her a complete surprise, the occasion being in honor of Mrs. Jenkins' birthday anniversary. A most enjoyable evening was spent in games and music, followed by the serving of a dainty luncheon by Mrs. James Evans, Mrs. Thomas McVey, Mrs. Joseph Alfree and Mrs. J. W. Mathias. Mrs. Jenkins received a number of very pretty gifts.

The regular monthly meeting of the Leah Gelder Memorial Circle of the Westminster Guild of the Washington Avenue Presbyterian church was held last night at the Roberts home of North Charleroi. The meeting was opened by the president, Flora Roberts, and the names of two candidates were received to be given due attention. The two prospective members are Emma Bake and Nancy Dorman. Mrs. Clutter, the superintendent of the society, read an appreciative letter from the Temple Hill Hospital of Chefoo, Shantung, China, thanking the society for the gifts they sent the patients of this hospital at Christmas. The fifth chapter of "Japan On the Upward Trail" was very capably given by Miss Marie Snyder. Miss Emma Bake favored with a piano solo and Miss Margaret Sims reviewed the sixth chapter of the study in an interesting manner. The evening was concluded by the serving of a luncheon by the hostesses, Misses Flora and Martha Roberts, Lydabell Woodward and Blanche Cratty.

INDIANS ON THE WARPATH

Guayaquil, Ecuador, Jan. 15.—(United Press)—A fierce battle between political factions has just taken place at San Felipe Pujili, according to messages reaching here today.

Five thousand Indians, under leadership of the chief Fraile Granja, attacked the town and assassinated the Liberal leader, Luis Rivadeneira, and terrorizing the population.

Federal troops were called and finally drove the Indians into the mountains, after killing eleven of them.

LAST Spring a total of 350,000 people were disappointed in not being able to obtain deliveries of Ford Cars and Trucks, as orders were placed faster than cars could be produced.

The demand for Ford Cars and Trucks this Spring will, according to all indications, be far greater than last Spring.

Winter buying has been increasing at a greater rate than ever before.

Actual retail deliveries the past 60 days totaled 308,170 Ford Cars and Trucks, an increase of 1,961 a day over a year ago.

Over 200,000 people have already ordered Ford products on our purchase plan, the majority of whom will take delivery in the Spring.

The above facts are given with the suggestion that you list your order promptly with a Ford dealer if you contemplate the purchase of a Ford Car or Truck for use this Spring or Summer and wish to avoid delay in delivery.

MON CITY MAN IS BADLY INJURED

Joe Repinici, 39 years old, of near Milesville, Allegheny county, was seriously injured in a fall of slate at the Robertson mine, near Manow, yesterday morning at 8:30 o'clock.

Repinici was found under a great pile of debris and slate when his cries attracted the attention of fellow workmen. He was rescued with difficulty. He was removed to his home and later was placed aboard the noon train to Pittsburgh and taken to the Mercy hospital for an operation. The injured man was hurt internally and suffered numerous contusions and bruises about the body. Repinici was, until a few weeks ago, a resident of First ward, Monongahela, but moved to Milesville, where he had secured employment at the mine. He is married and has a wife and four children.

In Portsmouth, New Hampshire, there is an old mansion which retains the lightning rods put up by Benjamin Franklin in person. On the same street is an old church, St. John's, from which rings out the pleasant peals of a bell of Paul Revere's handiwork.

A Few New Curses.

Funnels leading to the surface from ancient graves in Carthage and meant for the pouring of libations upon the ashes of the dead were used by enemies of the deceased to drop elaborate curses engraved on lead into the grave of the hated one.

Tried to Do His Duty.

"As a bill collector you are a piece of cheese," growled the boss as he handed the new man his walking papers. "I'm sorry, boss," replied the crestfallen collector, "for I really don't the best I can."—Cincinnati Enquirer.

He Was Wise.

"Well, shall we take the jury as it stands?" said the lawyer, speaking from experience. "Better fire the married women, counselor," advised the accused. "They always convict on the slightest circumstantial evidence."

The Origin of Buggy.

The name buggy, applied to a small vehicle without a top, drawn by one horse, is of Hindu origin. The Hindu name is "baghi." After British occupation the officers altered the pronunciation to "buggy" for light traps.

"Golden Fleece."

In the mountains of the Caucasus are several torrents which wash down tiny particles of gold. The people place fleeces of wool in the waters to intercept and retain the gold. Thus the "Golden Fleece."

Introduction of Two Bills At Albany, New York, Asks For Repeal of Box- ing Law Following Death of Frankie Jerome

NEEDS WALKER'S DEFENSE

Reported That Senator Walker Is Disgusted With the Game That He Restored to Legal Standing, And Will Not Try to Prevent Bill's Repeal

New York, Jan. 15.—(United Press)—With introduction of two bills at Albany today, the repeal of the boxing law and a third calling for investigation of the boxing commission, general uneasiness for the future of the game is felt here as a result of the death of Frankie Jerome.

Even the more optimistic of those who have the "interest" of the business at heart feel that nothing but a valiant defense of the game by Senator James J. Walker can save it.

From a reliable source it was learned today that Walker, disgusted with the game that he restored to legal standing in New York, will not raise his voice or lift a finger if the legislature wants to repeal his bill.

The death of Jerome, following a boxing contest in Madison Square Garden last week, is regarded as the blow that killed all chances to revive a business that was already groggy and out on its feet.

There has been no disposition here to hold "Bud" Taylor, the Terre Haute boxer, who appeared against Jerome, responsible for either the death of his opponent or the imminent demise of the sport.

It was generally known in boxing circles here that Jerome was in bad condition as result of an automobile accident several months ago and punishment in two bouts after his recovery.

Eddie Long, manager of Taylor, said today that he knew Jerome was in very bad condition after the eleventh round and when he saw that the bout was to continue he ordered Taylor not to lead at his opponent's head.

Taylor confined his attack to the body in the twelfth round.

Lou Bris, who succeeded Billy Gibson as Jerome's manager some time ago, said he wanted to toss in the towel after the tenth round but that Jerome objected violently, saying that he was not in such bad shape that he could not stall through two more rounds and escape the blemish of a knockout on his record.

The district attorney's office is to hold a formal investigation this afternoon. Taylor, Long, and officials of the commission, have been asked to be present.

Following the opinion of Dr. Charles Morris, chief medical examiner for the city, that the death of Jerome was accidental, it is thought that the district attorney will not ordered Taylor to be held for charges of manslaughter.

Jerome is to be buried Thursday morning from St. Jerome's Catholic church, from which he had taken his ring name. Taylor, who was on the point of collapse yesterday, is to attend the solemn requiem mass.

Reports that Jerome left a destitute family were denied by his manager who said that he owned property in the Bronx and had a good bank account.

PHYSICIANS ADVISE

A Real First-Aid Method to Relieve and Break Up Colds

It is a recognized fact that hot medicinal herb tea is one of the very best home remedies to use to assist in breaking up colds, which, when neglected, often develop into pneumonia or other serious sickness. It is old-fashioned, of course, but, nevertheless, its effectiveness is readily admitted everywhere today.

Many physicians now advise their patients to always have on hand a supply of Bulgarian Herb Tea for emergency purposes.

Musty, astringent, and irritating drugs should be avoided. Certain drugs have a tendency to depress the heart and disturb the nervous system. Druggists everywhere honestly recommend Bulgarian Herb Tea to their customers. Its gentle laxative and tonic qualities are wonderfully healthful. Why not see your druggist at once and get a small package for emergency purposes? You or some other member of your family may need it to fight a cold this winter.

Waterproofing cloth by means of the direct application of fresh latex, or sap, has been discovered in Bolivia. The cloth is covered with latex, milk of the rubber tree—the latex must be less than 24 hours old—and then passed over the smoke of an ordinary wood fire. Good rainproof garments made by this method are giving satisfactory service.

The Falling Star.

A star fell, leaving a trailing line of light in its wake, and suddenly I felt a little sad, for a Siwash Indian chief had told us that when a star fell it was a flower tossed by the hand of a good spirit from Paradise to ease the pain of a soul passing out into the Great Darkness—"The Wild Heart," by Emma Lindsay Squier.

Finger Ring Oldest Ornament.

The finger ring is the oldest ornament. In Genesis Joseph is mentioned as receiving a ring from Pharaoh. This was about 1450 B. C. They have been found on mummies of an earlier date. Homer mentions "bracelets and chains" on his heroes, but does not mention rings. Homer was about 1000 B. C.

World's Silk Production.

Every year 266,000,000,000 silk worms produce 60,000,000 pounds of raw silk. It has been estimated that taken all together the world's silk worms spin every year with a velocity of about 4,700 miles a second a thread of apparently 150,000,000,000 miles in length.
